## Additional Insurance

- In addition to WSIB coverage, 416 Industrial maintains:
- Commercial General Liability (CGL) — \$5,000,000 per occurrence
  - Automobile liability — \$2,000,000 combined single limit
  - Cargo insurance (relocation work) — \$500,000 per load

Current Certificates of Insurance (COIs) available on request. Provide your project name + general contractor address for naming-as-additional-insured.

## Procurement Notes

Procurement teams onboarding 416 Industrial as a vendor may request: current WSIB clearance certificate, current CGL COI, WHMIS training records, Working at Heights certificates for the crew assigned to your project, and a sample install certificate from a prior install. Turn-around on procurement document packages: 1-2 business days.
